

## Motor Vehicle

The Exeter Town Clerks Office is happy to announce that most Motor Vehicle registrations can now be done on line. We are now accepting a single check payable to the Exeter Town Clerk for both the City portion and State portion of your car registration. Please do not make your check out before you come in to the office.

New vehicles no problem, we can issue plates, however you must prove residency. Please keep in mind that you also need to have your proof of identity so bring in your legal non expired drivers license with you. Also the process of renewing a registration can be done from the comfort of your own home, without waiting in long lines, just go to the Pay Online Page to see the process of how to register by credit card or e-check.

Our Office Hours Are: 8:15 AM To 4:00 PM Monday - Friday

Throughout this web page, we have attempted to answer the most commonly asked questions and explain the many facets of the process of automobile registration. Please navigate the site and if you still have a question, please contact us. We appreciate your feedback.
